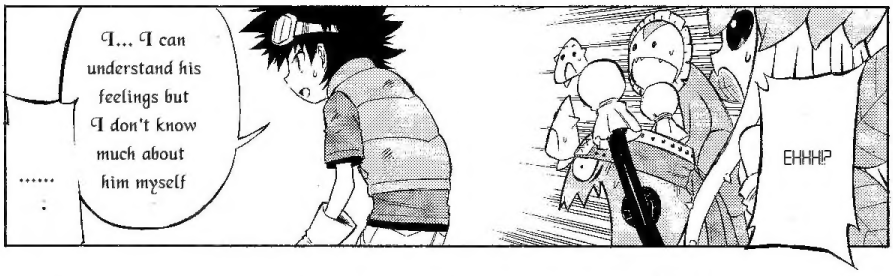
heh... as I thought, i'm most suited to traveling alone
i shouldn't do things i'm not used to.
AAAy
AAAy
but... now my back feels rather, empty
that direction !!!
cutemon!!!
what was that?!

tch.
i can't possibly
meet them
now after
all that
DAMN!
why
am i
in this
position
....
we...
found
you
finnally
Doru-
lumon
!!!
Uooooooohhh!!!
Cutemon?!

what is this not bad i wasn't expecting you do this well
let's see how you handle this!!!
who !!
guahhhaha ahhahah!
gwah !!!
PLASMACANON !!
Damn him
he's just all power! i can't faster than me

Even if you flee alone or as a group, you're needlessy dividing your fighitng power
I can't bear to see you resort to such miserable tatics!!
i'm just going easy on you Kudou!!
Ahhh! hot! hot! hot! my tail got burnt!!!
if we go on like this we're gonna be defeated
Is Dorulumon really going to come help?
big trouble Dondoko!!
I don't know...



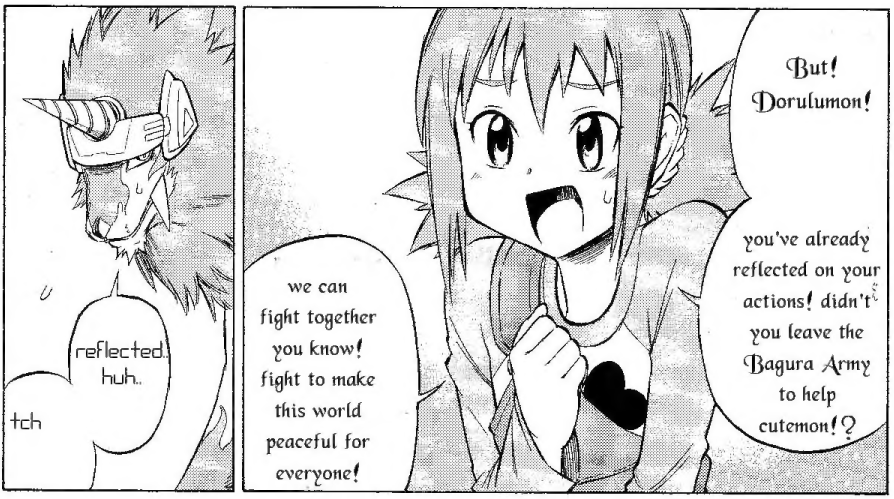
EHHH!?
I... I can understand his feelings but I don't know much about him myself
.....

I think the reason why Dorulumon has been protecting cutemon all this while must be because his heart is shrouded in his pride as a warrior, as well as his guilt for the things he did in his past!!
I'm sorry, for taking this gamble
but...
I.. I just...
GROOOSU !!!!!!

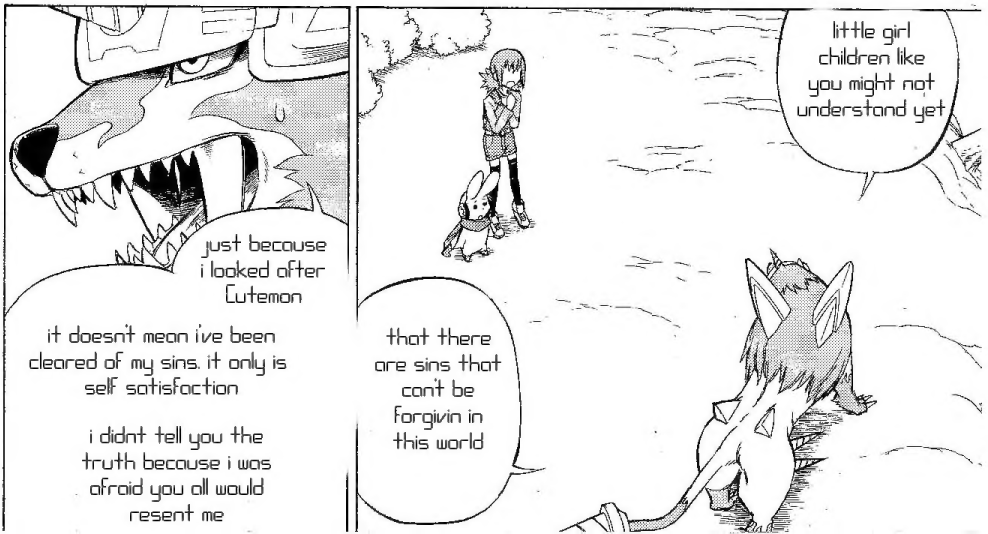
ROCK N' ROLL!!
Starmon !!
you're sayin' i can't leave dorulumon' right!!
gaa!!?
why do you all...
no how did you find out which way i went?
what are you holding back for!? you've been accepted as Shoutmon's big brother! and our General right?!
we won't fall until we see the future of the Digital World that you two create!!
we'll make it! to become King! everyone will!!
!!
yes!
.....

マーキング：動物がおしっこの匂いなどで自分のなわばりを主張する行動。
キミの家のワンコが電柱におしっこするのもマーキングなんだよ！

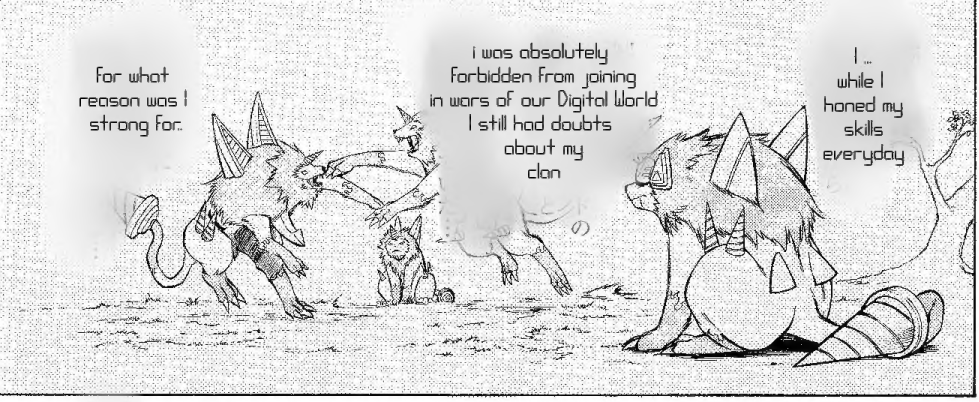
didn't i tell you?! i could be the one who destoryed your village in the first place!!!
just how softhearted can you be?!



reflected. huh..
tch
we can fight together you know! fight to make this world peaceful for everyone!
But! Dorulumon!
you've already reflected on your actions! didn't you leave the Bagura Army to help cutemon!?

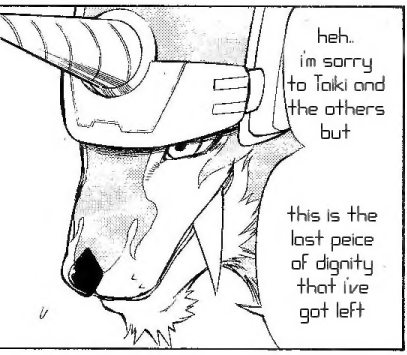


just because i looked after Cutemon
it doesn't mean i've been cleared of my sins. it only is self satisfaction
i didnt tell you the truth because i was afraid you all would resent me
that there are sins that cant be forgivin in this world
little girl children like you might not understand yet

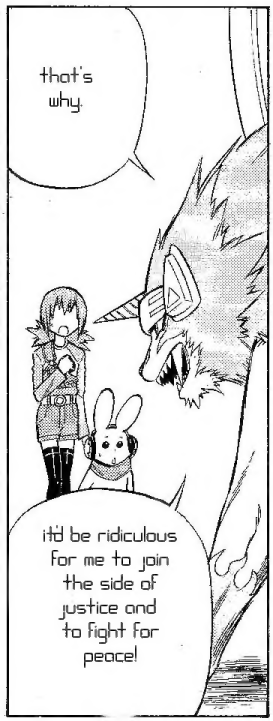


for what reason was I strong for..
i was absolutely forbidden from joining in wars of our Digital World I still had doubts about my clan
I ... while I honed my skills everyday

sacrifices were aplently both among the nemies and allies
there i was able to show off my strength
so, I left my clan and joined Bagura Army



heh.. i'm sorry to Taiki and the others but
this is the last peice of dignity that i've got left



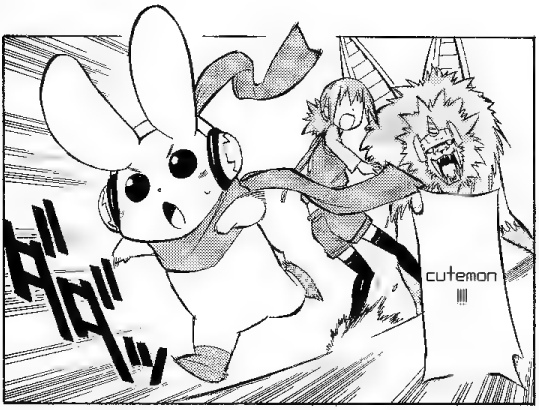
that's why.
it'd be ridiculous for me to join the side of justice and to fight for peace!

those in my clan knew! that i've been using my power in such a way!
what a joke
while my fangs and claws were trembling with pride i was in fact repeatedly soiling my clan's pride!!

Dorulumon ... kyu.....

cutemon...
I want you to look forward to laugh for the sake of happiness for the future kyu!!!
I... I don't wish for Dorulumon to laugh with that loneliness kyu!!!!!
hyahyahyahya hya!! too bad!!
hya!!
Blue Flare's assassins! so they followed Akari and Cutemon
there's no tomorrow for you lot
!!
our General ordered us to kill any and all Digimon belonging to the Red Army
Akari! Cutemon! get on!
even if it's just us we'll escape!!
y-
you can't kyu!

gaa!?



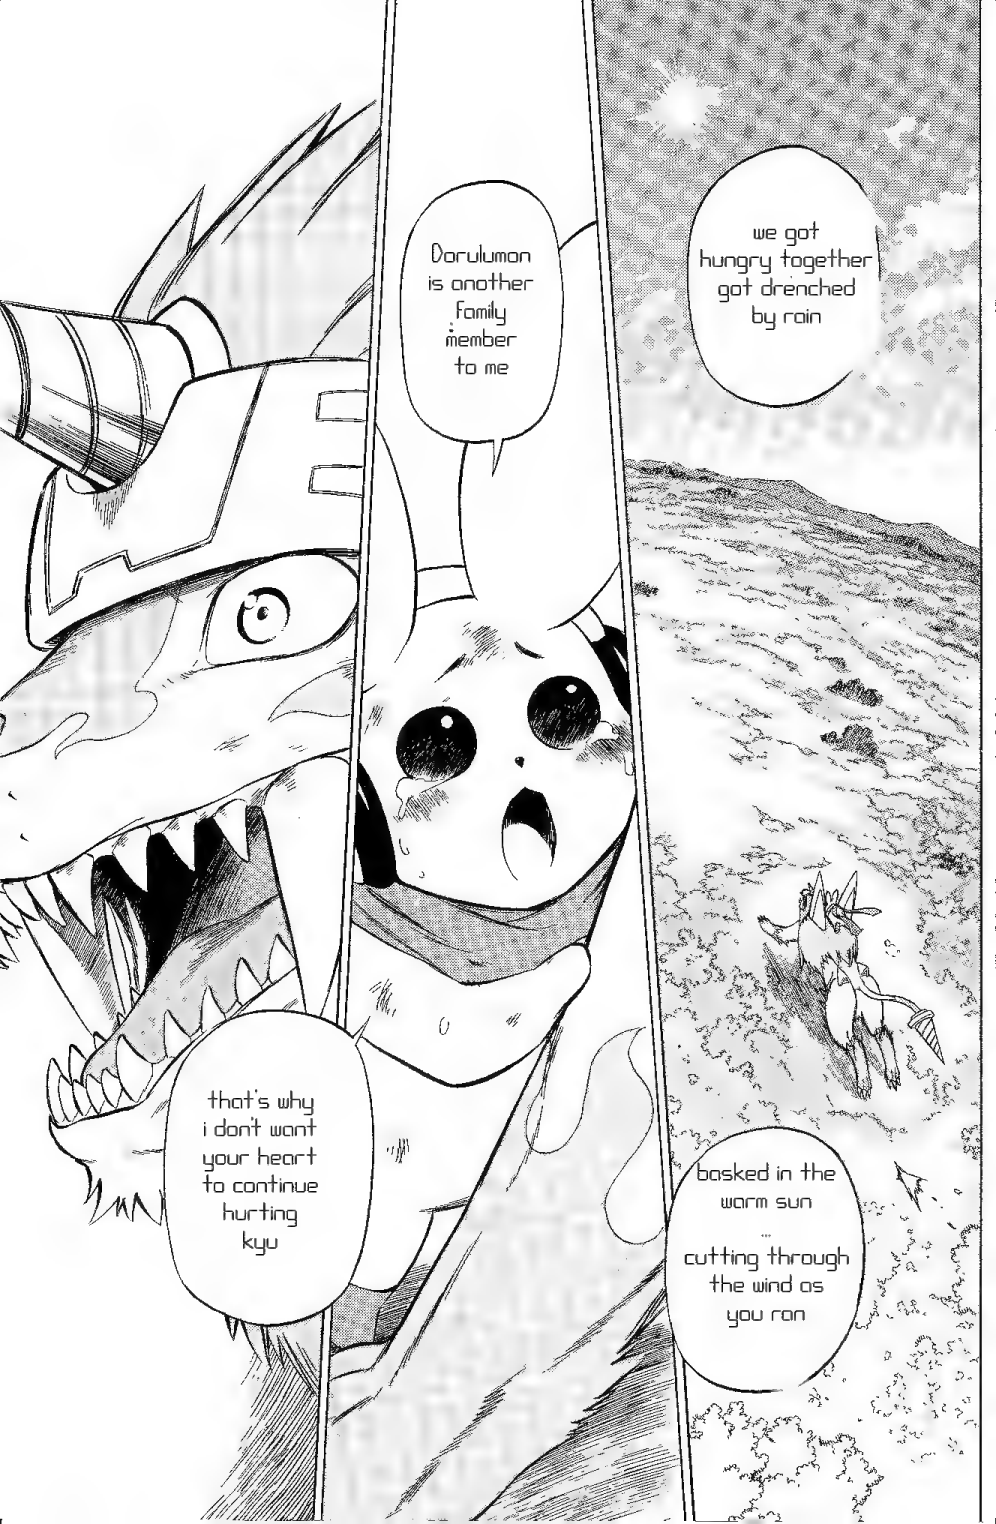
cutemon
!!!!

F-fight!
kyu!
Dorulumon!!
idiot!!
get off
of him!
what
are you
doing?!

kyuuuu
!!!!

look!
kyu!!
even I.....
even I will be
together with
you!
even if
it's ridiculous
even if it's
embarrassing
a warrior's
pride can't be
gotten back
by anyway
other than
fighting

Cutemon !!
why did you do that for me, who could be your village's enemy!!
you idiot!! why did you?!
experienced so many things
we saw so many things together
because the two of us have traveled together kyu....
because ...



we got hungry together got drenched by rain
Dorulumon is another family member to me
basked in the warm sun ... cutting through the wind as you ran
that's why i don't want your heart to continue hurting kyu

bom
bom
attack!
bommon!!
blast them away!!
ugh
adding a coward like you won't make a difference!
Kya !!!
tch
UOOO

What was that ?!
DORUUU TORNADO

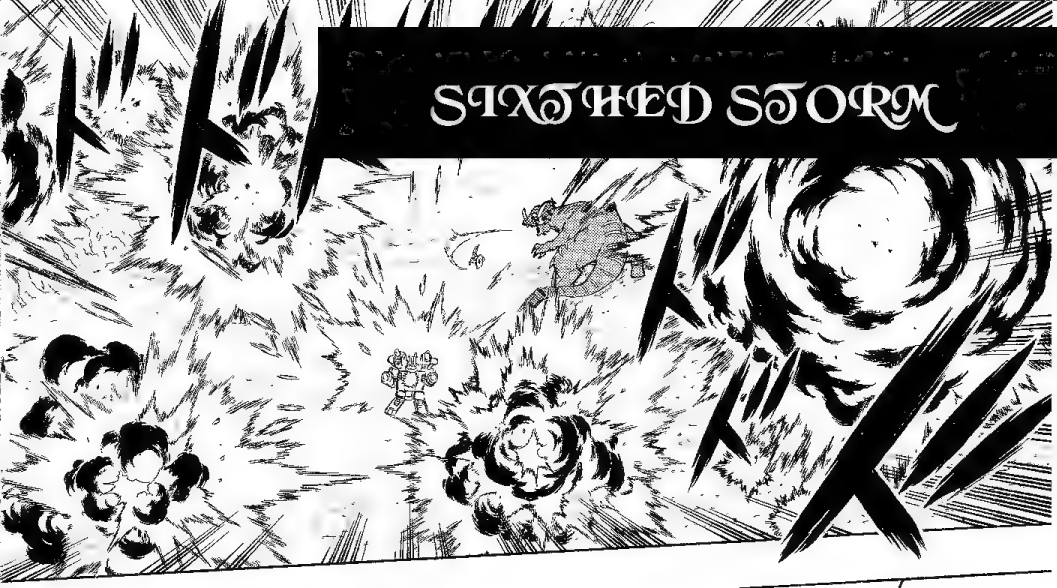
Cutemon and Akari made me realize if i work with you that maybe i can atone after all
I ended up overthinking about the past! about things i can not change!
doru-lumon !!
hey! you're late!!
General taiki-dono
warror Dorulumon, by my honor would like to ask to serve you as a member in your army
joking aside! i've decided to be indebted to you a while longer!

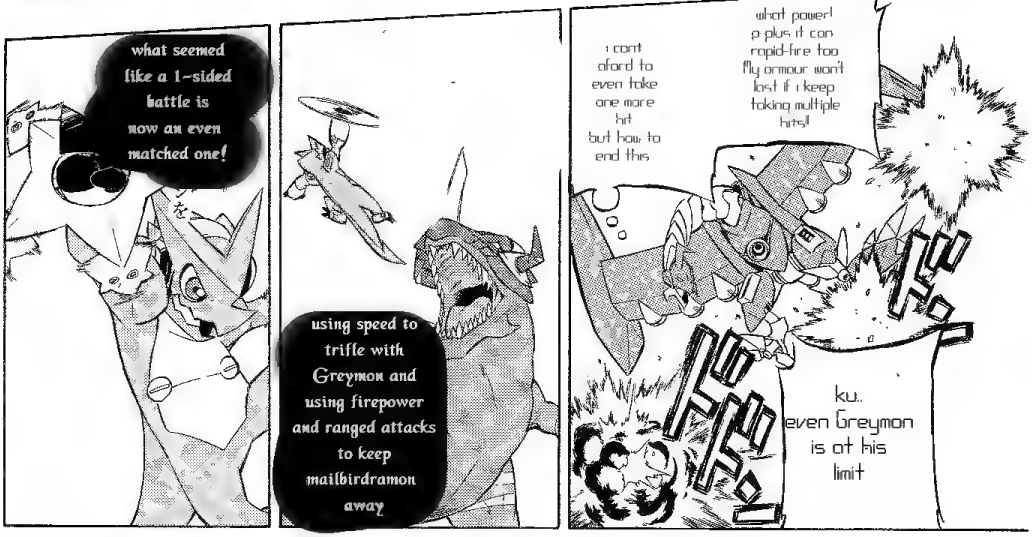
aww
thanks Dorulumon !!
what i want to protect is right here
that's reason enough for me to fight as a warror along side you
well, i wonder
do you think adding one member will make a big difference?
you seem to like to bring in farces to the battlefeild
Shoutmon! Starmons!!
Ballistamon !! Dorulumon !!
DIGIXROS !!!
tch!!

ALL RIGHT!!
LET'S GOOOOOOOOO
BALLISTAMON SR (sixthed Launcher)
SHOUTMON SH (STARWHEEL)

what!!
his speed has?!
who ?!
a high speed form?!
dammit!! you moving pest!!
hmph i'll catch you
we won't let you!!

# SIXTHED STORM





what seemed like a 1-sided battle is now an even matched one!
using speed to trifle with Greymon and using firepower and ranged attacks to keep mailbirdramon away
i cant aford to even take one more hit
but how to end this
what power! p-plus it can rapid-fire too
My armour won't last if i keep taking multiple hits!!
ku..
even Greymon is at his limit

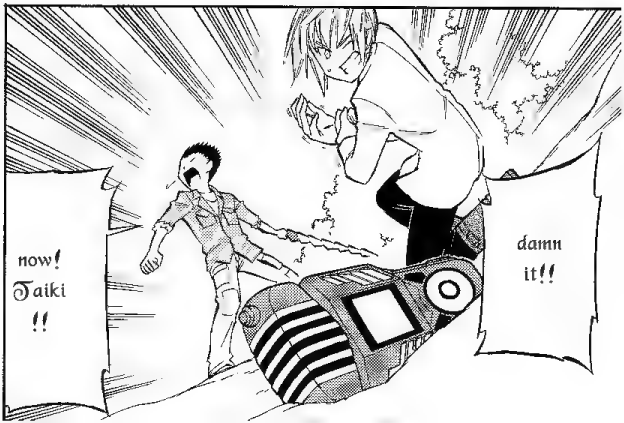
that's ?!
it can't be!!
that weapon can't deal any lethal damage to Greymon at all
it'll eventually get beaten by an attack it can't escape

nuoooohhh
!!!!!!
hmph
goa~
sumon
!!
found
you
!!!!
goo
suuu
shushu
shu~
toh
!!

for with this sword "Koutoumaru" I shall render you out cold!
now prepare yourself
hahahahaha hahahhaha hahahaha
this is MY style of DigiXros!! with this I, Zenjirou, can do my part in this battle!
Koutoumaru ?!

heh
like hell i know!! go swing around a tree or something!!
do you know why that is? Aonuma Kiriha!
TCH?!

thanks!
Zenjirou !!



damn it!!
now! Taiki !!

Shoutmon !!
alright!!
SHOUTMON X3 !!!
DIGIXROS !!!!
balli-stamon !!
doru-lumon !!
star-mons !!
pickmons !!
DIGIXROS

クロス
フォー
X4!!!!!!
that's just a show! they're no match for us !!
don't get distracted Greymon !!
a.. a new DigiXros !?

SKOUTMON
YEAH!!

they wont stop
his plan was to prevent us from DigiXrosing and gain the upperhand with this battle
b-but what is with this power?!
can't you tell after feeling this Xros Loader's powr Kiriha?!
it doesn't just combine strenght or attacks!!
it connects the hearts of the digimon and combines them!
DIGIXROS
Is the power of bonds
BURNING STAR CRUSHER
!!!!

FULL FORCE STAR BLADE!!!

Greymon !!
tch
he received more damage than when fighting Tactimon!
geh
gyoo
it was just one attack! but it exceeded his power!!

burn them all to ashes in an instant!!
no
we're retreating for now
Kiriha! Reload him! let us DigiXros !!!!
d-- damn
you,... you runt!!
what did you say!?
Jactimon not only him but other powerful
digimon are probably observing this fight
I won't reveal my whole hand to them yet

YOU
!!!!

But I won't forgive you if you die on this insignificant battlefeild!!
no matter how much you spit and vomit
even if you survive you will only face enemies and die!
will you fell grati-fication if you break my neck?!
then do it if that will bring sense into your immature mind!!

DO YOU EXPECT ME TO SWALLOW THIS HUMILIATION OF DEFEAT ?!
even if you defeat him
if you battle in this state you'll suffer even more seirous damage
you won't stand a chance if the other forces attacked

Did we choose him to become our general because of the type of boy he is?
<"
Fu, Kiriha is a better actor than you Greymon
tch

THIS IS TOO UN-FAIR!!
DAMN IT
I CAN'T STAND THIS !!!!!
Hey you guys better not battle again!
at least not until i win again
どたばた
HOW ARRO-GANT IS HE?!

until you become my subordinate that is!!
let's meet again Kudou Taiki!!

Snow Zone's Code-Crown?
Eh? isn't that?
you're the one who got it then?

!

The Code-Crown is the proof of the victor and the ruler of this Zone
because of that i'll have you keep that for now

should i fire at them?
let them say what they want
DON'T DECIDE THINGS ON YOUR OWN!!
DON'T COME BACK EITHER!!
what a strange guy he is.
saying that he has no interest in his talent or potential
hn?
gp get owned by Bogra's Army!!!

where is the Code-Crown? did you withdraw from the Snow Zone?
I can defeat them whenever I want
the power of the DigiXros
i've grown interested in it is all

Ahh, it seems that the perfect model student Tatichimon has failed today
but I know
they're such cute little boys
maybe i'll eat them without saying a thing to Tactimon
So we wonder what the princess thinks of those two?
I think that both of them have the basics nailed down well
though ...

hey! don't speak to Nene that way!
it's not likely that they can mix
both of their colors are to pure
.....
So, Nene which of them would be more appropriate as your bridegroom?
that with such good specimens one side has to destory the other!
that's a shame!

let me join your army!
heyyy! Wait up! Taiki-Dono!!
i was thinking if there was any meaning as to why we and the others were brought to this world
ah it's nothing!
hn?
hn? you ok? Taiki?

Aonuma Kiriha
Amano Nene

hey Taiki can i hit him?
welll we are a team who fights for justice..
but i'll allow it!!
looks like i've found a great master!
on that note if i join you it wouldn't be that hard to come Across losing battles!
Ochi-Mushamon?!
our comrade? then that means your quitting Bagra?
no i've thought through this and Tactimon's army won't come accross that many losses right?
instead of saying such words just escape with me~
it'd be great if the next Zone was warmer!
you're right! let's go to the next Zone!!
yeah..
welll there's no choice but to go around to more Zones!
since there's still much we don't know about this world!

デジモンクロスウォーズ 第5話 おわり

I can see ...
two new generals were they that bad? Tactimon?
a flickering black flame kindled in your soul
they are still small embers
however once you put them in some firewood
they might become a fire so strong that it might burn both the earth and heavens
the seal of this sword that your Majesty has granted they day might come that it will have to be removed
if you say it like that
